## Upcoming Pulls

**On August 25<sup>th</sup>, 7:00 pm**, we will pull at the Collinsville Tri-County Fair. The pull is at the same location as before. There is a **parade that starts at 10:00 am** if anyone wants to Parade his or her tractor and then spend the day enjoying the Fair. I have talked to the sponsor. They have the light plant ordered and have arranged for pull back and grading tractors. I have ordered trophies and will pick them up this week.

**On September 8<sup>th</sup>, 7:00 pm**, we will be back at Kent's Sapulpa location for another evening pull.

The Skiatook tractor pull will be **Sept. 22<sup>nd</sup>, at 11:00 am**. It will be in the same location as before. Contact Everett Forbes for more information.

**Our fall show is September 28<sup>th</sup>, 29<sup>th</sup>, and 30<sup>th</sup>.** We will have a pull on Friday night, at 7:00 pm and on Saturday at 4:00 pm. We will need lots of volunteer workers for this event. Everybody needs to expect to do several jobs.

## Fall Show & Work Days

CASTA was asked to host the 2007 South Central EDGE & TA regional show. We asked OATA to co-host the show with us. That show will take place Sept. 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup>, at 12216 S. 116<sup>th</sup> East Ave., in Broken Arrow. We are going to need lots of volunteer labor to make this work. We have already had a couple of workdays and we will need to have some more. I can't stress enough that we need everybody's help. There is lots of mowing to be done, some fencerows that need to be cleaned up and some fence that needs put up, plus lots of other jobs.

On Sept. 9<sup>th</sup>, Sunday, the day after the next Kent's pull, we will have a workday at the show location. We will have another workday on Sept. 15<sup>th</sup>, Saturday. The entire week before the show, Sept. 23<sup>rd</sup> through Sept. 28<sup>th</sup> Courtney and myself will be in and out of the show grounds getting things finished up. We will still need lots of help. I will be compiling a list of things that need done as we go along. John Hoover already has a list of committee assignments. Please see him if you want to help with a specific task. He probably already has that job on his list and is in need of volunteers.
