Welcome 2010

With a new year, we have a time for a new beginning. This newsletter is one of those new beginnings. I "volunteered" to work on the newsletter to help lighten Glen's load this year. Please feel free to send me any suggestions that you have or any news that needs to be included in the monthly issues.

I sure hope all of you survived the January weather we had with minor problems. However, the weather will soon change and it will be that time of year again to open our pulling season. I am looking forward to a great year filled with fun and fellowship. A copy of the schedule is attached.

Update

The awards banquet was a great way to end the pulling season. The auction raised over \$500 for the club. A big Thank You to everyone who donated items for the auction.

Congratulations to Mr. George Hejtmanek for being voted as the recipient of the Leon Smith Award. Mr. George always has a smile on his face and is very deserving of this award. Congratulations also goes to Willie Turner for earning the coveted Grand Master Puller award. Good job Willie!!!

Schedule

Now is the time to get me your dates for next year. We would like to have the schedule nailed down as soon as possible. We kinda winged it as we went along last year and we want to do better this year.

If you have an event that you would like to have a pull at please get it to Glen soon. We are planning on pulling at our regular pulls such as Bixby, the OATA show, Catoosa, Skiatook, Collinsville, and a couple of pulls at Kents'. P & K Equipment would like us to come back to Pryor and also have a pull in Owasso. That is 10 pulls already. It would be good to have 12 or so scheduled. We would like to have a couple of pulls early, in April or May. We missed the early pulls last year because of rain and other problems. The Board will be meeting Feb. 8th and should have the schedule just about ironed out at that time. However, if you have one you want to add, please feel free to contact Glen with the information.
