## Welcome

Even though we have had 2 rainouts, the season is off to a great start. We had a good pull at P&K at Pryor and sure enjoy the goodies they donated for prizes. The second pull was at Owasso at the P&K Youth Day. Was an awesome turnout for the show and pull. We greatly appreciate everyone who has attended these activities. The pull results for both of these are attached to this letter. Also, attached is the updated schedule for the year.

The schedule for both the OATA Show and the Bixby Green Corn Festival are below. Hope to have a good turnout of members, pullers and guests at these functions.

If you don't pull, bring a chair and come cheer on your fellow members (and enjoy some of Miss Jennie's cookies) and bring a friend with you.

Be sure and wear sunscreen or protective clothing while out in the sun, we had some sunburns appear last year. better to be safe than red!
