SAFETY NOTE

We have been extremely lucky and not had anyone seriously injured at any of our events. Recently a woman was killed, in Texas, when she approached the sled and it lurched ahead and ran over her. Let's keep up our good safety practices and continue to have a safe season. One thing we have not done in the past but EDGE&TA is asking us to do this year is to chock all our tractors when parked. EDGE&TA requires that all tractors being shown, or participating in an event, have at least one wheel chocked, in both directions, any time it is parked. Gene Smith showed up at Kent's pull with a set of custom made and painted chocks hanging on the back of his cub. Yours don't have to be that fancy, a couple pieces of firewood will do, but please having something.

OATA OKIE ANTIQUE FARM SHOW

The OATA summer show is this weekend, June 19th and 20th. There will be two pulls, Friday at 7:00 pm and Saturday at 5:00 pm. That are several other activities scheduled for Friday and Saturday and all CASTA members are invited to participate. For more information go to their website, www.oata116.com it lists the show schedule and has some contact names and numbers. The featured tractor this year is International Harvester. The show and pull will be at OATA's club grounds which is 1/2 mile north of Haskell, OK on Highway 72. This is always one of our best pulls and the OATA show grounds has an excellent track. If you did not attend the Kent's pull and have not paid your dues for the year, please make plans to do so this weekend.

BIXBY GREEN CORN FESTIVAL

The Bixby Green Corn Festival is the on June 27th. The pull is at 11:00 am or directly following the parade. The First Baptist Church of Bixby has offered to feed us breakfast again this year. They will start serving breakfast at 8:30 am. Please try to let Courtney Brown know if you are planning on making it to the breakfast, so he can give them a head count. The church has been extremely generous to us in the past by giving us the location to have the pull and park our trailers. Last year they fed us breakfast and is very good. Please make plans to attend.
