The pulls are back on

An agreement has been reached with the Kent's for part of our pull season. They have agreed to let us 4 or 5 pulls at their shop, which is located at 1503 W. Line Street, in Sapulpa. Go west from downtown Sapulpa, on Highway 66 (W. Dewey Ave.) and then turn north on Sahoma Lake Road (next to the Armory), go for about ¾ mile, turn left onto Line Street. Kent's is the second driveway on your right. Two years ago we pulled at Kent's, on gravel. Steve and Calvin assure me that we will pull on grass or dirt this time. They have also agreed to travel to 4 pulls away from the shop. I suggested OATA's Okie Heritage days, Bixby Green Corn Festival, Skiatook Pioneer Days, and the Catoosa Rte. 66 Flywheelers. All 4 of these pulls are in conjunction with some event and usually draw a pretty good crowd. The board of directors is working on other possibilities for Okmulgee, Collinsville and the OATA swap meet.

Our first pull is a points pull but we hope to be able to do some test pulling also. Get your tractors ready, see you there.
