## Final Pulls

I hope everyone has recovered from the final pulls for the year. The double pull at Catoosa, on October 14<sup>th</sup>, made for a long, but fun, day. There were over 114 hooks that day. Willie and Kathi Turner put on a great pull. Thanks to the many sponsors who made the pull possible. Willie even brought out a steel wheel tractor to pull. The directors have been discussing having a steel wheel class. This was our first test. Let us know what you thought of it.

The Kent's fall pull was on October 21<sup>st</sup>. The day started out pretty nice but a the cold front made the day a little chilly. We only had 54 hooks, a little short of normal. Thanks to all those who did come out. Calvin and Steve Kent provided the location and pull back tractor.

I hope everyone returns for next year. We gained some new people towards the end of the year. Next year, 2007, should bring some new pulls and activities that I hope everyone enjoys.

## 2006 Awards Banquet

This years awards banquet will be at Mojo's Barbeque, in Catoosa. The address is 509 S. Cherokee. It is on November 18<sup>th</sup>, 2006, at 6:00 pm. (The Catoosa pull was behind Mojo's). The cost will be \$7.95 per person. The club will take care of any other cost. The meal will include a buffet of brisket, bologna, pork loin, baked beans, potato salad, and Texas toast. Please feel free to bring a desert. CASTA will take care of the cost of the drinks and tips for the servers. Family and future members are welcome. Please give Cathy or me a call and tell us how many will be attending. You can e-mail me at [glenlynn@aol.com](mailto:glenlynn@aol.com) if you would like. Mojo's is normally closed on Saturday. They will be opening for us that evening. They asked that we please use the back door.

As we have in past years, we will have a silent auction. New for this year Mary Gatzmeyer has agreed to conduct a real, live, professional style auction. **Please bring items to donate to the club for these two auctions.** This is a good fundraiser for our club. The money goes to the year end awards and our regional show next year.

Don McCartney has agreed to provide us with some entertainment, and Mike Avant may have a video for us to watch. It should be a full and fun evening.

We will be presenting the Grand Master puller award, along with the class master puller awards at the banquet. I am still finishing up totaling the points but I can tell you that it is a close race for Grand Master puller. There is only one point between the top two pullers.
