UPCOMING PULLS

The Skiatook parade and pull is fast approaching. The Skiatook Pioneer Days is this Saturday, Sept. 19th. The parade starts at 9:00 am, and the pull will start at 11:00 am, after the parade. The pull will be at the same location as in past years. The streets will be blocked for the parade. If you are coming from the east, go to where the police have Highway 20 blocked, go one block north, and then go west. It will take directly to the pull. Jimmy Reed is in charge of this pull. If you have questions call him.

Our fall show is next. It will be Oct. 10th, Saturday. The pull will start at 3:00 pm. However we will have the show and other activities all day, beginning at 8:00 am before the pull. We will have a chili and bean feed on Friday night, before the show. The show will be at the 12200 S. 116th East Ave., in Broken Arrow. For more information call Courtney Brown.

The Route 66 Flywheelers pull is in Catoosa, on October 17th. The kiddie pull will be at 12:30 pm and then the pull will be at 1:00 pm. There are activities all weekend. Contact Willie Turner for more information.

Other Notes

Some other dates to keep in mind are the OATA swap meet on Nov. 7th, in Haskell. We are checking to see if we can have a pull then. On Sept. 26th, OATA is sponsoring a tractor drive near Claremore. Check with an OATA member for more information on either of these events.

We are making plans for our year end banquet. We may do it on a Sunday evening, instead of a Saturday night, to keep from conflicting with other events. I hope to have some discussion with the members at the next pull. Also be sure to tell Cathy what your jacket size is.

Courtney would like to have a couple of work days at the place we use for our show, 12200 S. 116th East. Ave. He has asked if we could do a little clean up on Sunday, Sept. 20th and October 3rd and 4th, the weekend before the show. The times would be from about 1:30 to 3:00 or 4:00 pm.

I will have copies of the Collinsville pull results available at the next pull.
